The complete solution to teaching a language in Key Stage 2: the Catherine Cheater Schemes of Work

The Catherine Cheater Schemes of Work offer lesson plans, guidance and language support for teachers. The schemes are used in thousands of primary schools throughout England, helping to make life easier for the teacher and to make the learning fun for the children.

Currently available in French and Spanish, the schemes will shortly become available in Italian and German as well.

Come and meet Catherine Cheater over a cup of coffee!

Catherine Cheater will be at the European Bookshop to show how the schemes:

- are easy to plan and to teach from
 - save time for busy teachers
- include extensive language support for teachers with little knowledge of French or Spanish
 - are closely aligned to the Key Stage 2 Framework for Languages
 - offer a languages curriculum with built-in progression
- link to the use of authentic story books and non-fiction resources that children really love
- contain a wealth of material to help develop cultural knowledge and intercultural understanding

Catherine will offer an interactive presentation, and there will be opportunities for questions and discussion as well as time to look at the beautiful resources that are linked to the schemes.
